

I.G.R.A. Rodeo Partner Participating Rodeo Association Agreement

The Regional Rodeo Additional Funds Program establishes a 1 to 2 matching funds program to support added prize money at Regional Rodeos, but not limited to that. I.G.R.A. will match \$1 for each \$2 raised by an association choosing to participate (up to \$250/\$500). Any association not hosting a rodeo may participate in the program with a requirement to allocate the funds to a partner rodeo occurring in that calendar year.
